Dear Sirs:

The Milwaukee Radio Amateurs' Club, Inc., a non-political non-profit organization devoted to the furtherance of amateur radio activities and organized in 1919 and meeting every Thursday evening at the Milwaukee Public Library, has been advised that your Society has a motion picture projector which could be made available to us on occasions when we are in need of one. We therefore request that you make this machine available to us, and we will guarantee to return it to you at all times after our using it in proper operating condition. Many of our members are very familiar with the operation and maintainance of his type of apparatus and will periodically maintain and service it.

Any other information regarding this subject can be given by our representatives, Mr. Peters and Mr. Catel.

Thanking you very much for any favors, we remain,

THE MILWAUKEE RADIO AMATEURS' CLUB, INC.,
